

# ABBOTT TECH UNIFORM GUIDE

Please refer to the guidelines below for the complete policy regarding uniforms. We expect full cooperation from all of our students. All students must be in full uniform upon entering the building.

## **Student IDs**

All students must wear their current Abbott Tech student ID from the time they enter the building until they leave. Only when doing so poses a safety issue should it be removed. Students must wear this ID above the waist and it must be visible at all times.

## **Footwear**

All shoes must be closed toed and have a back; no sandals, flip flops, or slippers will be allowed. Students must come to school with proper footwear on during the Career Pathway and Academic cycles.

## **Academic Uniforms: Grades 9-12**

All students must wear any of the Abbott Tech shirts from Vision Designs. These shirts come in a variety of styles and colors.

During the academic cycle, students must wear pants at the waist. Pants must not have holes or have elastic waists. Students may wear jeans, khakis, or Docker style pants. Pants must not have any holes, rips, or tears in them. Sweatpants, leggings, pajama pants, wind pants, nylon pants, or any other type of athletic pants are not allowed.

## **Career Pathway (aka Trade)**

All grade 9 students must have the following items for all CP cycles:

- Blue Exploratory T-Shirt or Sweatshirt from Vision Designs
- Safety Glasses
- Work Boots
- Jeans or Dickies pants (no holes)
- Student ID

Being prepared is a part of the student's overall grade as part of the career readiness continuum. Students who are not prepared will not be allowed in the Career Pathway and may be subject to disciplinary consequences as well as a reduction in their grade.

Students in Grades 10-12 should wear their CP specific uniform and student ID. Work boots are required in most areas; footwear is trade-specific. Students should always have their proper uniforms and tools. This is established by each CP. Students who are not prepared will not be allowed to participate in their CP and may be subject to disciplinary consequences as well as a reduction in their grade.

## **Ordering Uniforms:**

Please visit the Abbott Tech website and click on the "Buy Uniforms" button.
