## Our Philosophy

*To introduce students to the vast field of cosmetology and it's industry. Inspiration will be the foundation of this experience through education, technical excellence, and communication skills. We will expose our students to the many options available in the beauty and wellness professions. Throughout this training our established group of students will explore and develop a clear understanding, increase dedication, passion and teamwork.*

Children's parties available  
please inquire with either:  
Ms. Maria Carpanzano  
Ms. Anne Marie Ludwig
