

Adult Education Virtual Open House

Henry Abbott Tech Adult Education Apprenticeship Program

Danbury, CT

THE “OTHER” 4 Year Degree

For WHO: Graduating Seniors who are interested in becoming an Electrician, Plumber, or HVAC Technician.

When: 2 times available: 20 May 2021, 10:30-11:30 AM or 7-8 PM

What: This program is in conjunction with the Department of Labor to obtain licenses for Electrician, Plumber, and HVAC Techs.

Why: There is a **HUGE** demand for these trades.

Where: Open House is Virtual. See link below. The classes are held at Abbott Tech, Danbury BUT we also have distance learning at 7 schools around the state.

These trades make significantly higher wages than unskilled labor.

The program is cheaper than **ANY** other school or program.

Contact: Andrew.ipkovich@cttech.org for questions or log onto our virtual Google Meet (Copy link below and wait for permission to join the meeting)
