Khan Academy Class Codes for Summer 2024 Work

Class of 2028 Pre-Algebra/Algebra 1: M5HPJY92

Class of 2027 Pre-Algebra to Algebra 1: 3E596F65

Class of 2027 Students going to Algebra 2: GV3EXWEQ

Class of 2027 Students going to Honors Algebra 2: QGUB95K3

Hello Parents and Students! Attached you will find the directions for the Abbott Math Summer Assignment. This assignment will be graded and very important so that key skills you have learned this past year will stay fresh in your mind. While it may look like a lot of work, if you do a few sections each day you will have plenty of time as the assignments are very short (watch a 5-minute video, answer 3 questions, etc). You are required to complete all of the assignments (Videos, Exercises, Quizzes, Tests etc.) in order to get full credit. If you spend approximately 1 to 2 hours each week on these tasks, you will easily finish before the due day of August 24, 2024.

If you have not done so already, please create a Khan Academy (Khanacademy.org) account using your personal email (for incoming freshman) or Abbott email for current 10th grade students. If you are an incoming freshman **DO NOT USE YOUR CURRENT SCHOOL EMAIL FROM MIDDLE SCHOOL.** Once you have created this account, locate your Dashboard on the left-hand side and you will see "Teacher" - click here to enter your class code. You will receive an email telling you which Class Code above you should use. IF YOU DO NOT GET AN EMAIL, PLEASE CONTACT <u>Helen.Albert@cttech.org</u>.

For any incoming Freshman, if you do not take the Placement Test by July 2, please complete the Class of 2028 Pre-Algebra/Algebra: **M5HPJY92.** For any incoming Sophomores, if you do not take the Placement Test by July 2, please complete the Class of 2027 Algebra 1 into Algebra 2: **GV3EXWEQ.**

If you are a current student you will sign up for the class that you will be going into next year. For example, if you were in Algebra 1 this year and are going into Honors Algebra 2 next year, then you would sign up for the Honors Algebra 2 class. All current students will have signed up and started this assignment before the school year ends for the Summer.

After you have joined the appropriate class, you will find all of your assignments on your Home page under "Assignments".

See step by step instructions on the next page.

Instructions on how to sign up for Khan Academy and how to find your Summer Work
